Improve Personal, Social and Emotional skills for children eligible for EYPP	Baby Ballet for all children to support that development of a positive sense of self, an opportunity to develop musically and express themselves. To ensure all children feel safe and secure at Nursery.	Assessment is highlighting low speech and language on entry and this is also reflected in our Purple Room data, so we are seeing it follow through. We are also seeing this need in the emotional well-being of the children. Children are needing more time to settle into the Nursery routine, sometimes they are not ready for group and need a quiet story.	All children will access Baby Ballet on a Monday (the day when most EYPP Eligible children attend) and then Well-Being Wednesday also caters for emotional needs in terms of the range of activities we offer (music and movement, physical/ outdoor and Birdy Beat). Regular tracking, monitoring and professional dialogue to assess how children are doing.	M.W, B.B	
Total cost					£300
