Dear Parents and Carers,

How time flies when you are having fun at Nursery!

I am already very impressed with how our new children are settling into our routines. Well done!

A huge thank you to our bigger children who are being very positive role models for our younger children.

Thank you for your support and kind words during our recent Ofsted Inspection. My team were incredible and your children were very welcoming to our visitors and proud to share their play. My thanks go also to our wonderful Governing Board who supported the Nursery so well during the process.

As we work towards the May half-term, I just wanted to take the opportunity to share a few Nursery updates with you, in our monthly newsletter.

I would like to wish you all a lovely half-term break with your families. Hopefully, the sun will shine for us!

## Tombola

Already, we are underway with plans for our Summer Fair. Thank you so much to our volunteers who are doing so much to get this event underway. We really can't do this type of event without your support.

We are collecting bottles of any kind, e.g. bubble bath, fizzy pop, wine, shower gel, soft drinks etc. All donations are welcome and very much appreciated.

## Summer Fair

Our Summer Fair is on Saturday 22<sup>nd</sup> June 2024, 11am to 2pm. Please come along and have lots of fun with your family! Join us as we play games and raise money to buy new resources and to create a sensory room for our children.

As always, your support is very much valued and appreciated. If you would like to help out at this event, please contact the school Office.

## Welcome!

Mrs Peacock has joined the Purple Room team and we are very happy to welcome her to the Crossens family! We are very excited to continue to build our Nursery Team with such warm, friendly and skilled members of staff.

## For those starting Primary School in September:

**Transition meetings** have already started with the children's welcoming schools.

This is to ensure that your child's new teacher knows all about them, how they learn and the things they have been enjoying whilst at Crossens Nursery School.

## Just a few reminders:

Jewellery/ 'long' hair accessories - In order to ensure that all children are safe at Nursery, we ask that jewellery is not worn. 'Long' hair accessories can also get caught or trapped and we recommend these are also not worn.

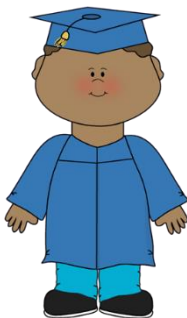

Suncream – Please provide a roll-on suncream for your child if they are attending a full nursery day. Children need to have suncream applied before the start of the day and we will support your child with a reapplication at lunchtime. For those children who are just doing morning or afternoon sessions, please apply suncream before they arrive at Nursery.

## Graduation Ceremonies

Graduations will be held for Nursery leavers on Monday 8<sup>th</sup> and Tuesday 9<sup>th</sup> July. Please sign up for your preferred day on the forms in the porch.

The ceremonies will begin at 4pm and seats are limited to two per child. We ask that siblings sit on laps where possible, so that we can squeeze everyone in!

## Our Learning

### 3 & 4 YOs

Shape, shape, shape! Miss White has been planning lots of activities to support our children with their understanding and knowledge of shape. We have seen the children painting these shapes in the conservatory too!

### Purple Room

Our 2 YOs are having lots of fun! They are enjoying lots of activities in the garden, building and connecting with the Mobilo and listening to wonderful stories. 'Walking through the Jungle' has been a firm favourite in the Purple Room this half-term.
