This half-term is flying by!

For some children, this will be their last half-term at Crossens Nursery School. We have been liaising with their welcoming schools in order to support a smooth transition from Nursery to School.

We are proud of the achievements of all the children at Nursery and know they have developed the skills they need to settle happily into Primary School.

## Be Sun Smart!

As the summer months progress, we look forward to enjoying lots of sunshine and ask that you **ensure that your child has sunscreen applied at home before the start of their Nursery session.**

Children who attend a full day will have a 'top up' of their sunscreen application at lunchtime, when required. If your child ever attends a full day, please ensure that they have a bottle of **roll-on sunscreen** with their name on and that this is passed on to a member of staff.

We also ask that each child brings in a hat (labelled with their name) so that we can enjoy our time in the sun safely.

The following weeks will be used to organise meetings for children in Purple Room who are moving up into the Big Room in September. We will contact you with an appointment time.

Our Summer Fair is on Saturday 22<sup>nd</sup> June 2024, 11am to 2pm. Please come along and have lots of fun with your family! Join us as we play games and raise money for our Nursery Sensory Room.
